

# The International Committee for the Co-ordination and Standardisation of Speech Databases and Assessment Techniques

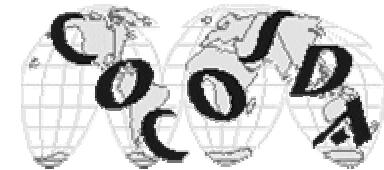

Khalid Choukri  
ELRA/ELDA

# Mission Statement

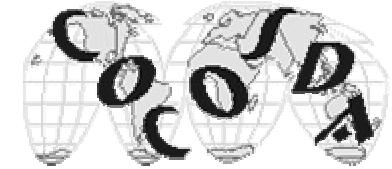

---

- Cocosda supports the development of spoken language resources and speech technology evaluation.
- Cocosda promotes the development of distinctive types of spoken language data corpora for the purpose of building and/or evaluating current or future spoken language technology. For the latter Cocosda offers coordination of projects and research efforts to improve their efficiency.
