Sponsorship Opportunities Brochure
The Event

LREC 2008 is the sixth edition of the Language Resources and Evaluation Conference, biennially organized by ELRA with the support of institutions and organisations involved in HLT since 1998. Over 800 participants coming from 40 countries - with all continents represented - attended the fifth edition of LREC in Genoa in 2006 and we expect an audience in excess of 800 participants from academic and industrial institutions for LREC 2008.

The Content

The aim of LREC is to provide an overview of the state-of-the-art, explore new R&D directions and emerging trends, exchange information regarding Language Resources and their applications, evaluation methodologies and tools, ongoing and planned activities, industrial uses and needs, requirements coming from the e-society, both with respect to policy issues and to technological and organisational ones.

The conference covers a full week and LREC 2008’s programme will be organised around parallel oral and poster sessions during the main conference, and 4 days before and after the conference will be dedicated to workshops and tutorials.

The Venue

Marrakech, the southernmost Imperial City, once the capital of the Saadian dynasty, is a unique place, perhaps the most fascinating in Morocco. It is also a very attractive business destination hosting many international events, such as conferences and summits. The Palais des Congrès Mansour Eddahbi provides an excellent environment with plenary and breakout rooms to accommodate the 800 participants.

In addition, Marrakech is very well-served with international flights from and to Europe, America and Asia.
Flexible promotional opportunities

The following packages have been tailored to appeal a wide variety of marketing objectives. However, if there are other ways in which your organisation would like to be involved, we would welcome the opportunity to discuss these with you and encourage your creative ideas.

Please note that all amounts are VAT excluded.
