LREC 2012 is the eighth edition of the Language Resources and Evaluation Conference, biennially organized by ELRA with the support of institutions and organisations involved in HLT since 1998. Over 1200 participants coming from 55 countries - mainly European countries - attended the seventh edition of LREC in Malta in 2010 and we expect an audience in excess of 1200 participants from academic and industrial institutions for LREC 2012.

LREC is a biennial event, organised by ELRA, the European Language Resources Association, with the collaboration of major international institutions and organisations. It brings together a large number of academic and industrial players who are active for the Research and Development in HLT and in HLT evaluation.
